Janjyoti Multiple Campus / Mahendranagar / September, 2019 - Present

+2 -Science

Sunrise Campus / Mahendranagar / September, 2018 - September, 2019

Upto 10 class

Suryodaya Public School / Kanchanpur / April, 2013 - June, 2017

PROJECTS

Momo Restaurant website

Developed a web app using React JS. Used SCSS to style the visual elements of a webpage and used framer motion for amazing animations.

https://github.com/Manju166/Momo_restaurant.git

Weather App

Developed a web app(frontend) using React JS and used open weather API for fetching real-time weather data across the world.

<https://github.com/Manju166/Weather-app.git>

Personal Portfolio

Built a personal portfolio website to showcase my skills and projects.
